

# Spectacle de la Lune

## Sample Rider Requirements

**Description:** The “Spectacle de la Lune” show features a 23’ lighted Helium filled lighting balloon w/an aerial artist performing a 5 minute chiffon act at 50– 75’ above the ground. The performance is choreographed to music (see below).

In addition, the use of the Airstar Balloon for atmospheric lighting is included for up to 4 hours (including performance time).

**Provided:** Balloon rental, shipping, helium cost, technician, setup and strike labor, riggers, aerial artist, choreography, producer, hotel rooms, airfare and local transport are provided in the contract price..

**Travel –** Purchaser is responsible for 4 hotel rooms for 2 nights

**Power -** Purchaser is responsible for providing 60 amp – 208 single phase at performance area.

**Area -** Outdoors – Act requires 100’ x 100’ unobstructed area for performance.

Indoors - Act requires 100’ height clearance and 60’ x 60’ unobstructed area for performance.

- ***Act must be performing over clear area. Act will not perform if guests or clients are situated beneath the performance area.***

**Setup -** Act requires minimum 6 hours for setup and rehearsal. This must be completed at least one hour prior to performance time. Act will coordinated with Purchaser on exact rehearsal time, and sound and lighting technicians **MUST** be present at this time.

**Sound -** Act requires sound system with CD player for music playback. Selection of music track will be jointly selected by Purchaser and Act. Playback must be loud enough to allow Act to hear music at 75’ height.

**Lights -** Minimum one followspot with Operator is required for this show. In addition, any specialty lighting or intelligent lighting will add to the production value of this show.

**Please note that this act can only operate in a maximum of 12 mph winds, so weather is a factor in this performance. Act will be flexible in timing of the show, but cannot perform in adverse conditions. In the event that performance is not possible due to wind conditions, full payment is still required.**
