

[Free Daps Corporate Sizzle Reel](#)

Free Daps is an Orlando-based rap collective specializing in freestyle rap, music, and comedy. They put on a personalized live show that's spontaneous, witty, high-energy, rhythmic rhyming filled with audience interaction.

This crew has been touring together for years – creating an engaging show that blends both hip-hop and comedy. Their talent and decorated resume as rappers and improvisers have garnered a dedicated following throughout North America making Free Daps one of the most exciting new waves in entertainment.

Free Daps created a family-friendly show that has performed for Orlando Magic half-time games, at Walt Disney World's Disney Springs, SeaWorld Orlando, as well as MPI, ILEA and other corporate events.

“Armed with only a list of key words, phrases and names, Free Daps wrote and performed a hilarious, high-energy rap that summarized the entire 3-day conference in just a couple of minutes. They even managed to work in the names of our top achievers from awards night, and then threw in some newly improvised lines as they performed. They’re creative, versatile and happy to accommodate whatever changes they’re asked to make. If you’re looking for an easy way to delight, surprise and wow your attendees, bring on Free Daps!” – Dick Wilson, Event Planner

Take a look at their corporate video. From corporate or association events to theme parks and private parties, no two shows are ever the same!
